Headline:
Rain clearing in the east tonight. Showery rain on Wednesday.

This Evening and Tonight:
A dry evening and start to the night in the far west with rain in the east gradually easing through the evening before turning dry here too overnight. Further rain spreads into the far west towards dawn. Minimum temperature 13 deg C (55 deg F).

Wednesday:
A rather cloudy day with showery outbreaks of rain, some possibly heavy and thundery, but drier and brighter in the far north. Feeling cooler than of late. Maximum temperature 18 deg C (64 deg F).

Outlook for Thursday to Saturday:
Chance of a few showers on Thursday and Friday then dry and bright with sunny spells on Saturday.
